	<p>Hallinin stated that he met with the applicant William Hamilton, and spoke with him and verified his address, but he is not present tonight. Does the cmte want to hold him over until next meeting?</p> <p>Blanton stated his application says alternative rather than terms, could we approve him as an alternative? Hallinin stated that he would move into the term's positions because that is where he is needed.</p> <p>Keller stated the vetting process has not been established formally, Hallinin is getting input from Council members. that process/procedure will go to Law Director for either legislation, adopt to Council rules or if we need to amend an ordinance for quality or requirement. We have this applicant now. Hallinin could contact the applicant for the next meeting. There is training and swearing in involved in the process.</p> <p>Theis asked since the new procedures have not been adopted can Council operate under the old procedures and be approved?
