

SEALED PROPOSAL FOR RECYCLABLE STAINLESS STEEL

The City of Circleville Department of Public Service is soliciting proposals for the recycling of approximately eight tons of stainless steel. The stainless steel has been removed from the large swimming pool located in Ted Lewis Park, Circleville, Ohio. Interested recyclers can contact the Department of Public Service, 104 East Franklin Street, Circleville, (740) 477-8224 to arrange a time to examine the steel and to obtain a Proposal Form. Additional requirements are included on the proposal form.

Proposals shall be made upon forms supplied by the Public Service Department and returned in a sealed envelope by 4:00 p.m., on Monday, April 1, 2013.

Circleville Herald – please publish advertisement on Tuesday, March 12th and Tuesday, March 19, 2013.
